Let's CODE Together
Computer Science Education Week
December 8-12, 2014

STUDENTS
CODE with a buddy during class, in STEM lunch clubs or in the CSTEM program. Students will learn why this week is Computer Science Education week.

PARENTS
CODE with your child in the STEM or computer lab.
(Check with your school for dates, times and locations during the week.)
Attend EdTalks on Friday Dec 12 to learn about how LASD is one of the few districts that teaches coding to ALL students starting in Kindergarten.
RSVP to EDtalks: http://edtalks-cstem-stem.eventbrite.com

TEACHERS
CODE with your friends and colleagues during iLearn's Coding workshop on Thursday Dec 11 @ 3.30pm – 4.30pm

Los Altos Educational Foundation **proudly sponsors** these programs
