2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Santa Rita is an elementary school located on the north side of the district, approximately one mile from the downtown center of the City of Los Altos. The neighborhoods served by Santa Rita are located between Foothill and Central Expressways in the cities of Los Altos, Mountain View and Palo Alto. Santa Rita students feed into Egan Intermediate School for seventh and eighth grades.

Santa Rita School was chosen as one of a select group of National Blue Ribbon School of Excellence, an honor reflected every day in every classroom. The student body of the school reflects the rich diversity of our area and enriches the cultural life of the school and classrooms. Santa Rita has exemplary teaching and support staff that are dedicated, hard working and professional; active, involved parents and a strong community sense that education is a priority.

Our Mission at Santa Rita Elementary School, we foster curious, motivated learners who reach their highest potential in a supportive community that appreciates diversity.

Our Vision at Santa Rita Elementary School, we foster engaged learners who are able to:

- Strive for high academic excellence
- Celebrate their uniqueness, culture, and diversity
- Explore interests, pursue passions, and develop their voices
- Build confidence and character through a growth mindset
- Work together to solve problems, communicate effectively, and think creatively
- Appreciate and reflect on the successes of themselves and others

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

LASD has adopted The Units of Study in Reading and Writing for K-8. K-5 use SFUSD math. 6th - 8th grade students use Math in Focus/Singapore Math curriculum. New state-approved materials have been adopted. Our current materials, Twig, in K-5 have adopted. 6th - 8th graders have adopted Elevate Science. K-5 students use Scott Foresman History textbooks and 6th graders use History Alive textbooks. All textbooks are aligned to the state standards.

School Facility Conditions and Planned Improvements

A safe campus and learning environment are of paramount importance to the school staff and community. All of our school facilities are in good repair, including our classrooms, multi purpose building, library, specialty rooms, and office. Maintenance and Repair: LEA maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Cleaning Process and Schedule: The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	73	71	84	84	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2023-24 School Safety Plan

Our school is equipped with a comprehensive safety plan that includes procedures in case of fire, earthquake, or lockdown. The school safety plan is reviewed and updated each year by the administration and parent representatives. Classrooms are equipped with emergency buckets that contain safety and first aid supplies. An Emergency Storage shed is on-site and is equipped with first aid, food, and water, and search and rescue supplies. Fire drills are conducted frequently throughout the school year. The school, in coordination with the district and local agencies, participates in a comprehensive earthquake drill each year- usually in October. Staff is annually trained on procedures for fire and earthquake emergencies. Staff is also given updated training on procedures to use in case of a lockdown situation where danger may be on or near campus. The comprehensive safety plan includes procedures for student check-out in case of emergency. The safety plan for our school is available in the office for public viewing. Our school safety plan was annually reviewed and discussed in November, 2022.

Professional Development

To create focus areas of professional development for teachers and other school staff, district and site staff evaluate student achievement data to identify areas of need. We utilize a variety of methods to provide professional development to staff including: coaching and mentoring using Instructional Support Teachers, New Teacher Mentors, and teacher-principal meetings. Our Curriculum and Instruction department also creates in-house after-school and/or full-day workshops for staff to attend. On-site, we also design after-school and/or staff meeting workshops for staff. The professional development that takes place during faculty meetings is primarily based on Social-Emotional Learning and The LASD Experience (Based on Design Principals for Schools/ From the Learning Policy Institute and Turnaround for Children). We also have Guiding Coalition, which is a staff-driven group that connects professional development learning to implementation during team PLC (Professional Learning Community) time.
